The screenshot shows a web-based administrative interface for managing provider networks. At the top, a navigation bar includes icons for Admin, Provider Networks, and other tabs like USERS and ADDRESS BOOK. The main content area displays a list of existing provider networks:

- Longname Provider Network (LPN)**: Hospital, Massachusetts General Hospital Providers, 12 selected. Actions: COPY, EDIT, DELETE.
- Tony Chen's Provider Network (TCPN)**: Hospital, Massachusetts General Hospital Providers, 12 selected. Actions: COPY, EDIT, DELETE.
- NaviHealth Provider Network (nhpn)**: Hospital, Massachusetts General Hospital Providers, 12 selected. Actions: COPY, EDIT, DELETE.

A modal dialog titled "New Provider Network" is open in the center. It has two main steps indicated by numbered circles: 1 Create Name and 2 Add Providers. The "Create Name" step contains fields for "Network Name" and "Network Acronym (4 Character Max)". At the bottom of the dialog are "CANCEL" and "NEXT" buttons.

The screenshot shows a web-based administrative interface for managing provider networks. A modal dialog box titled "New Provider Network" is open in the center. The dialog has two main steps: "Create Name" (step 1) and "Add Providers" (step 2). Step 1 is active, showing fields for "Network Name" (containing "XYZ Network") and "Network Acronym (4 Character Max)" (containing "XYZ"). Step 2 is shown as a dark gray background area. The background lists several provider networks:

- Longname Provider Network (LPN)**
Hospital
Massachusetts General Hospital
Providers
12 selected
- Tony Chen's Provider Network (TCPN)**
Hospital
Massachusetts General Hospital
Providers
12 selected
- Bundled Impression**
Hospital
Boston
Providers
10 selected
- Prov (UPP)**
Hospital
HUP
Providers
15 selected
- NaviHealth Provider Network (nhpn)**
Hospital
Massachusetts General Hospital
Providers
12 selected

Each network entry includes "COPY", "EDIT", and "DELETE" buttons. At the bottom of the dialog, there are "CANCEL" and "NEXT" buttons.

This screenshot shows a user interface for managing provider networks. At the top, there's a navigation bar with 'Admin' and 'Provider Networks'. Below it, a title 'Edit Providers in XYZ Network' is displayed. A callout box at the top right indicates a two-step process: 'Create Name' (step 1) and 'Add Providers' (step 2). The main area is divided into two sections: 'Add Providers' on the left and 'Providers in XYZ Network' on the right. The 'Add Providers' section includes dropdowns for state ('MA'), count, and zip code, and filters for level of care and point of service. It has input fields for 'CMS NUMBER' and 'PROVIDER NAME' with a 'SEARCH' button. A table lists a single provider entry: 'JKL Nursing Facility' with address '65 Bromfield Rd Newton, MA 02155' and CMS number '1234567890'. An 'ADD' button is located below this table. The 'Providers in XYZ Network' section shows a list of facilities with their addresses and CMS numbers, each with a delete icon ('X'). The bottom right of the interface has 'CANCEL' and 'SAVE' buttons.

The screenshot shows the naviHealth Provider Networks interface. At the top, there's a header with the naviHealth logo (a stylized orange 'A' with wings) and the text "Provider Networks". To the right of the header is a dropdown menu showing "HealthAlliance Hospital - UMASS Memorial..." and two icons: a gear and a question mark. Below the header, there are four network cards:

- MWMC - Framingham Union Hospital Network**: 12 Providers Selected. Buttons: DELETE, COPY, EDIT.
- UMass Memorial - Marlborough Network**: 5 Providers Selected. Buttons: DELETE, COPY, EDIT.
- Schumpert Highland Network**: 13 Providers Selected. Buttons: DELETE, COPY, EDIT.
- Glenwood Network**: 7 Providers Selected. Buttons: DELETE, COPY, EDIT.

A modal window is open in the center, titled "Create Provider Group Name". It contains two input fields:

- Network Name**: Navihealth Test Network |
- Network Acronym**: NAVI |

At the bottom of the modal are two buttons: "CANCEL" and "SAVE & NEXT".

The screenshot shows the naviHealth Provider Networks interface. At the top, there's a header with the naviHealth logo (A Cardinal Health Company) and a dropdown menu showing "HealthAlliance Hospital - UMASS Memorial...". On the right are settings and help icons. Below the header, a sidebar lists networks: "MWMC - Framingham Union Hospital" with 12 providers selected, and "HealthAlliance Network" with 24 providers selected. Each network entry has "DELETE" and "COPY" buttons. The main area is a modal dialog titled "Associate Providers with Navihealth Test Network". It contains a search bar for "Search Provider Name" with a magnifying glass icon, and filter dropdowns for "STATE", "COUNTY", and "CITY" with a "MORE FILTERS" link. To the right, a section titled "Providers Selected" is empty. At the bottom of the dialog are "CANCEL" and "SAVE" buttons.
